Terry & Ginny Bridle

Reaching Baby Boomers to help them reach others!

Not that we will be ceasing our ongoing involvement in Romania and Poland where we are still involved in mentoring local leaders; but, using our experiences over the last 30 + years, the Lord has been showing us how to use what He has done in and through us to bless, encourage and strengthen other people.

Over the last several years the Lord has been leading us into a new ministry. Here are the details:
