

# Terry & Ginny Bridle

Newsletter June/July 2013

Are you waiting to die,  
or are you ready  
*to fly?*

At the end of 2012 Ginny and I felt we should take stock of what we are doing and where we are going.

I [Terry] will be 65 this year, and as we have served the Lord in a full-time faith-based capacity for 35 years we wanted to make sure that our focus for the future was just as sharp as in the past.

We have always attempted to keep our lives and ministry in alignment with God's plans – rather than seek His approval for our own ideas – and this has led us into many unexpected places and situations over the years; but God has been faithful, and through personal experience we have seen that, 'that which God ordains, God blesses and provides for.'

Now, I am meeting more and more people of my age [and younger] who are enjoying well-deserved, and in some cases well-financed, retirements.

Whist being genuinely happy for these people I in no way envy them, but neither do I want to imply that I am being in any way critical. We each have our own path to follow according to that which the Lord has laid before us.

As we see it, there is no such thing as a 'retired Christian'. We are Christians until the day we are called home, and as such we are subject to His will and calling right until 'that' day.

Recently I [Terry] was editing a message by Hilary Price in which she was using the example of 'eagles'. Hilary explained that eagles know when their life is coming to an end, and when the time comes they go and perch on a high cliff – waiting to die.

But other eagles seek out similar high cliffs from where they launch themselves into prolonged majestic flight.

Hilary's point was: Are you waiting to die, or are you ready to fly?

I can honestly say that the Spirit of God leapt inside of me:

***Ginny and I are ready to fly with our next exciting assignment from God.***

## *Terry's Priorities*

1. Loving the Lord with all my heart
  2. Loving Ginny
  3. Helping Ginny in caring for her parents
- Then .....
4. Various tasks for Living Truth TV & Radio
  5. Romanian Gypsy Children & Orphans

## *Ginny's Priorities*

1. Loving the Lord with all my heart
  2. Loving Terry
  3. Caring for Mom and Dad
- Then ....
4. Work at Unionville Oasis Church
  5. Singing in Toronto Mass Choir
  6. Other singing/speaking engagements

In order to 'sharpen' my focus on those priorities listed above, I [Terry] have withdrawn from a few things that I used to do.

This 'season' of caring for Ginny's parents is open ended, as we do not know when the Lord will call them home. We needed to re-organize our lives with that in mind.

# Gypsy Children & Orphans in Romania.

I am excited to tell you that there have been some significant developments in Romania that, if they come to fruition, will make a huge impact on this work.

On June 10, I [Terry] will be flying out to Romania to meet with the leaders of two major ministries that work amongst Gypsies and Orphans, plus also the leaders of the two largest TV Ministries in Romania.

The Lord has already shown favour in the manner that these meetings have come together, so may I humbly ask that you would pray that the Lord will allow a spirit of co-operation to prevail, and that the needs of the Gypsy Children and Orphans will be at the top of everyone's agenda. I will be able to share more with you upon my return.

I am also happy to be able to say that, because of your continued support, the costs of this visit to Romania have already been covered, for which we thank you and the Lord.

If you wish to make a donation that I could pass on immediately, in June, to the 'Children Of Promise Christian Arts Centre for Gypsy Children and Orphans' *[they are always in need of finances for ongoing operational costs and food]*, please send a cheque made out to:
