## Mission in Motion

### mini newsletter – oct 2010

#### Dear Friends

It's been a while since you last heard from us, and for this we say a huge 'sorry' – but it is not that we have been in any way inactive. This update will be brief in order to keep it to one page; then you will receive another just before Christmas which will be after Terry has made a visit to the *Children Of Promise Christian Arts Centre for Gypsy Children and Orphans* in Oradea, Romania.

#### Gypsy Children in Romania

Helping to support this vital ministry and mentoring the leadership there continues to be the primary focus of the missionary/ministry aspect of our lives. Gypsies are being 'deported' to Romania in the tens of thousands from countries such as France, Germany, Italy and Spain for no other reason than that they are gypsies. There is a huge sociological volcano simmering over there, and when it erupts (as it surely will), the children will suffer most. Please pray for Terry as he goes to Romania at the end of October to encourage the leadership there, and to further discuss plans of how to meet the ever-changing and escalating situation over there.

#### Other Ministry News...

**Terry** juggles between the work for *Seeds/Children of Promise*, and the tent-making opportunities that the Lord provides as part of His means of supplying our ministry and personal needs. On a contract basis, the work Terry does for *Living Truth Television* continues to be the main source of His supply, and it is a huge privilege to be involved with this ministry.

All missionaries would much prefer to be able to spend 100% of their time on their missions work, but all have to spend time fund-raising. For us, the Lord supplies through individual and church support, and through some 'tent making' activities. It is ALL from the Lord who never lets us down. Terry also continues to serve 'pro bono' as the Producer of the annual "MissionFest Toronto" event.

**Ginny** continues her singing ministry with individual ministry, but also through being in the Toronto Mass Choir. What a blessing this choir is! If they are ever singing somewhere nearby, you really must go and hear them. They have a new Christmas CD coming out soon – a perfect blend of musical excellence and Holy Spirit anointing. Ginny also ministers in her 15 hours per week work as church secretary for Unionville Oasis Church – a small church plant that meets in a school North East of Toronto. When MissionFest Toronto had to let Ginny go

because of financial constraints we prayed, not for another job, but that the Lord would show her where her next 'ministry assignment' was to be. We are very much enjoying being a part of this small church and serving the Lord with these wonderful people.

#### Personal / Home News...

We are now in that 'season' where we are called upon to be the main caregivers for Ginny's parents who are both 88 years old. It is not easy as it is physically and emotionally draining (especially for Ginny), but we cannot look upon this as anything less than a privilege to be able to help make the twilight years of this wonderful couple as comfortable as possible.

Well dear friends, that's the 'bare bones' update. We will 'flesh this out' in following letters. God Bless you. We very much appreciate your love, prayers and support.
